THE Supreme Court of Wisconsin wisely and completely demolished Senator VILAS and his Democratic gerrymander. One by one Mr. CLEVELAND'S henchmen bite the dust.

IN 1890 we sold to Great Britain goods and farm products to the amount of \$448,000,000, and bought of her only \$185,000,000. As long as an individual sells more than he buys he is not likely to become poor. The same rule applies to a community or a Nation.
